

**REMARKS**

This Amendment is in supplement to the Request for Continued Examination and Amendment Under 37 CFR §1.114 filed on December 7, 2011.

By the present amendment, claim 2 has been amended to delete the term "water qualities" regarding the demand information and the supply information since this feature has now been implemented into the parent claim 1. As such, it is noted that the present Amendment is necessary to avoid redundancy between claims 1 and 2. Therefore, entry of this Amendment in supplement to the Amendment filed on December 7, 2011 is respectfully requested.

If the Examiner believes that there are any other points which may be clarified or otherwise disposed of either by telephone discussion or by personal interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.

To the extent necessary, Applicants petition for an extension of time under 37 CFR 1.136. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to the Antonelli, Terry, Stout & Kraus, LLP Deposit Account No. 01-2135 (Docket No. 513.46526X00), and please credit any excess fees to such Deposit Account.

Respectfully submitted,  
**ANTONELLI, TERRY, STOUT & KRAUS, LLP**
